It is designed to break down any employment barriers that could be holding you back from finding work.

We recognise that your journey and needs are unique to you, and we tailor the Restart Scheme to you as an individual. The aim is to help you find secure and sustainable work as soon as possible.

We will support you to take steps to make a positive change in your life and reach your goals. Our expert team of Advisors and Employment Specialists are here to help build your confidence, wellbeing, skills and motivation so that you're ready to move forward and succeed.

SUPPORT

You will be matched with a dedicated Restart Scheme Advisor who will support you on your re-employment journey. We have a wide range of services and resources available to you, and your Advisor can work with you to identify the most valuable elements for reaching your goals. You will have appointments with your Advisor every two weeks, to stay in touch and check on progress.

COLLABORATION

We're here for you. Working together with your Restart Advisor is the best way to get what you need out of the programme. Open and honest communication – in both directions – will enable us to provide you the right support, agree actions and find the best opportunities.

FEEDBACK

We are committed to providing you with the best possible service, and we want to know how we can improve, or what we're doing well. We welcome all suggestions and comments; if you think something could be improved, let us know and you'll be helping create better support for future Restart Scheme participants.

Together, let's make your time on the Restart Scheme count!

YOUR RESTART ADVISOR

You will have a dedicated Restart Advisor who will be your single point of contact during your time on the Restart Scheme.

They will spend time with you to understand your circumstances, your skills and any concerns you may have. They will work with you to develop a personalised plan of action to help get secure employment. They will meet with you regularly to stay in touch and provide you with the support you need to progress.

Being out of work can be a challenging time and that's why your Restart Advisor will help you access the specialist support you need to get you back into work.

**There's a job out there for you.
Let's go find it together!**

HOW TO CONTACT YOUR RESTART ADVISOR

Your Advisor will be your main point of contact with the Restart Scheme and will support you in your journey back to work.

While you'll have regular appointments, you may also want to contact them at other times to discuss your progress and actions you'd like to take. We've made it easy for you to do this, so you can get the support you need, when you need it.

ABOUT OUR PARTNERS

Ingeus are working with the following partners to deliver the Restart Scheme in Greater Manchester.

BACK 2 WORK GROUP

Back 2 Work Group is a provider of employability and skills operating across England, Scotland and Wales. It supports 14,000 customers per year, preparing, motivating and upskilling unemployed people for new careers with local and national employers.

BOLTON COUNCIL

Bolton Council (The Workshop) helps residents improve their skills, health & wellbeing, and confidence to find work experience and access sustainable employment. It has achieved market leading success placing long-term unemployed people in work, reaching all priority groups and communities in the borough.

OLDHAM COUNCIL

Oldham Council's Get Oldham Working (GOW) initiative has been running since May 2013. It is available to citizens aged 16+ and offers a variety of opportunities including apprenticeships, work experience placements, and undergraduate work experience opportunities. The team also delivers the National Careers Service.

ROCHDALE COUNCIL

Rochdale Council's Employment Links Partnership helps residents upskill and find work. It works with employers across the borough, providing bespoke solutions to help local residents access new employment opportunities.

THE GROWTH COMPANY

The Growth Company has over 30 years of experience working with disadvantaged residents in Greater Manchester, with a particular focus on those long-term unemployed and people with health conditions and disabilities. It benefits from close ties to employers and networks of support organisations operating in the City Region.

We are actively sourcing vacancies with employers and expanding our partnerships with local providers and specialists to create a holistic network of job-focussed support.

AN OVERVIEW OF THE PROGRAMME

Following the initial face to face meeting, you will have regular and meaningful contact with your Restart Advisor.

1. ASSESSMENT

Our first joint task will be to rate your confidence to find and start work. Your Restart Advisor will discuss and capture your current circumstances. This will accurately identify your strengths, needs and areas of focus aligned to Ingeus' progression framework: My Life, My Skills, My Work, & My Aspirations.

2. GOAL SETTING

Following your assessment, you will review and rate your areas of focus to finding and securing work. With your Restart Advisor, you will agree realistic goals to address these areas during your time on the Restart Scheme.

3. ACTION PLANNING

With your goals set, together with your Restart Advisor you will agree actions and interventions to support you to become job ready to secure suitable and sustainable work.

4. AGREED ACTIVITIES

Your Action Plan will record your agreed activities, actions, and interviews that you will attend or access digitally and/or in person. These will be pre-booked and may be delivered by Ingeus or one of our local Restart Scheme Performance Fund Partners.

5. PROGRESSION & SUPPORT

Your Restart Scheme Advisor will invite you to a regular appointment to review your Action Plan, capture progress of your activities and goals, and agree further support.

6. IN-WORK SUPPORT

Once you have secured a job, you will continue to have access to your portal for ongoing learning and support, and your Restart Advisor will still be on hand to help you settle into your role.

7. FEEDBACK

During your time on the Restart Scheme we will ask for your feedback on the appointments and activities you attend and complete. Every three months an independent organisation will contact a random sample of participants to conduct a Customer Satisfaction Survey on behalf of the Department for Work and Pensions.

SUPPORT AVAILABLE TO YOU

The support you will receive depends on your individual needs and circumstances. Your Restart Advisor will talk you through the range of support available and agree with you an action plan to provide you with the specific support you need.

Failure to account for Tax and NICs that are due on payments may be subject to penalties in accordance with current HMRC regulations, so it is important that you report this.

TRAVEL AND CHILDCARE EXPENSES

When you are invited to a face-to-face appointment, activity or job interview, your travel or care costs will be reimbursed.

TRAVELLING TO APPOINTMENTS

- We will refund your travel costs to and from pre-arranged appointments, using the most cost-effective method available. To receive your refund, please provide your Restart Advisor with a receipt for your travel journey.

- Please remember to always discuss this with your Restart Advisor in advance of the interview so we can advise you.

CHILDCARE EXPENSES

- We will always aim to book appointments and activities, where possible, around childcare. If this is not possible, we will provide funding for childcare for your child(ren) up to the age of 16 that reside with you, when you undertake Restart Scheme activities.
- It is your responsibility to find childcare that is registered with Ofsted or a carer accredited under the Childcare Approval Scheme. Reasonable expenses towards providing childcare will be provided. Please remember to discuss this in advance with your Restart Advisor.

REPLACEMENT CARE EXPENSES

- If you spend a significant proportion of your life providing unpaid support to relatives, partners or friends who are ill, frail, disabled or have a mental health or a substance misuse problem, and this as a barrier to you returning to work, it is important to share this with your Restart Advisor, who will aim to book appointments and activities around the care you provide.
- If this is not possible we will fund replacement care. It is your responsibility to organise the care and ensure it is provided by a Local Authority Registered Provider, a Local Authority Preferred Provider, or a recognised care organisation within the local area.

Ingeus actively promote the access to funding for travel, childcare and other expenses to you throughout your time on the Restart Scheme.

- You can claim travel, care, and childcare expenses from your initial meeting.
- You are offered reimbursement of any appropriate pre-approved expenses at all future interventions whilst you attend Restart Scheme appointments, activities, or interviews.
- All funding must be discussed and pre-approved with your Restart Advisor.
