

Make a difference: Expert recruitment support for employers

The Job Entry Targeted Support Programme (JETS) is the Government's COVID-19 driven employability programme.

Providing local employers with tailored, free, recruitment services, JETS in Central London (CLW WHP JETS) is helping people affected by COVID-19 to get back into work quickly. A key element to CLW WHP JETS is its localised approach, offering sector based expertise and skills development, ensuring candidates are expertly matched to your current vacancies.

Employer benefits

Save time and money

No more sifting through CVs. No more unsuitable candidates. No recruitment advertising or fees. Hire quickly and efficiently with expertly screened, work-ready candidates available now. It's a recruitment service tailored to your needs, and it doesn't cost you a penny.

Diverse talent

The pandemic has widely expanded the candidate pool, with many experienced and talented people now on a motivated hunt to find their next role. From administrators, bankers and IT specialists to security guards, sales assistants and hospitality hosts, CLW WHP JETS candidates from across a mix of sectors are now actively, voluntarily seeking work.

Work-ready candidates

You can rely on CLW WHP JETS applicants to have the employability skills, confidence, and realistic job knowledge you require. We will expertly screen and filter candidates, undertake background and Right to Work checks, and make sure transport, shift patterns and salary don't become future stumbling blocks.

We pride ourselves on the service we deliver to employers and the thousands of people we help back into work.

Employer partners

From well-known brands to local community enterprises, we work with employers across Central London who share our passion of allowing everyone to reap the rewards of a sustainable working life.

Embrace talent. Reflect the communities that you serve. Let's get people affected by COVID-19 back into work – quickly.
