Why employ someone through Jobs Guarantee?

- Candidates receive pre-employment training and will be supported into your vacancy and business by a dedicated point of contact – all at no cost.
- You receive fully subsidised employment costs for 25 hours a week at the relevant minimum wage for six months. Extra help for the bottom line.

But there's much more to it than making recruitment easier and reducing costs...

- Give a young person a chance to build a pathway to a better future.
- Create your own talent pipeline for succession planning and building your future workforce.
- Boost your social impact and CSR by providing work experience and employment to young people who might not otherwise have had the opportunity.

Ingeus and our partners deliver the government's Jobs Guarantee in the East Midlands. It is part of the Department for Work and Pensions' Youth Guarantee which aims to support nearly one million young people in the UK who are not in education, employment or training by providing tailored support, training opportunities and subsidised jobs.
